

# FOSTERLOVEPROJECT

Linking love to foster children and the families that care for them.

In 2015, over 20,000 kids were served through the foster care system in Pennsylvania alone. Many of these kids are taken to a foster home with no belongings or a few items thrown into a trash bag.

The Foster Love Project provides placement bags to be given to kids at time of a placement. It's important to give them a good quality bag to reassure them that they or their belongings are NOT disposable. In our last two drives, over 3,000 bags have been donated which have been distributed throughout 10 counties in PA!

This holiday season, would you consider making a Foster Love Project placement bag as your family project?

A complete FLP bag contains (new items only):

- Duffle bag or large backpack (or zippered diaper bag for infants)
- 2 pairs of pajamas (one summer, one winter)
- Socks
- A small blanket
- Stuffed animal (or small pillow for teen bags)
- Book
- Toothbrush & toothpaste
- Puff & body wash (please place in ziplock)

Gift cards donations (Visa, Target, Pizza, Chick Fil A, ect...) are also appreciated to give to foster families in times of transition.
